

DO YOU WANT TO HAVE FUN WITH YOUR FAMILY? COME WITH US & ENJOY YOUR TRIP!

Family Pack (5 days/4 nts)

Day 1: transfer from Milano airport to 4* hotel, dinner and overnight stay.

Day 2: breakfast, transfer from Vaprio d'Adda to one of our theme park and free lunch inside the park with its 6 themed areas and over **40 attractions for all ages**. Must: FUN & RELAX FOR ALL!!

Inside the park you can discover also **Italy in miniature**, with 160 little reproductions of the most beautiful monuments of our country. That's the reason why some years ago this park was called "**Minitalia**". Along the way are also positioned 12 talking statues, that represent the symbol characters of regions, who tell their story and particularities of their territory. Transfer to the hotel, dinner and overnight stay.

Day 3: breakfast, transfer from Vaprio d'Adda to Bergamo.

Guided tour of **Bergamo**. Discover the Upper Town of Bergamo, a still partially hidden gem of the Italian cultural and architectural heritage. Follow your local guide through ancient winding streets and small squares and explore the beauties of the city.

Anecdotes, curiosities and irresistible stories bring children to discover Bergamo. Thanks to Leo, the protagonist of the book "Little Bergamo", young readers too, can start an exciting journey full of surprises through fountains, statues, towers, funiculars and much more.

Free lunch and free afternoon for individual activities (you can go shopping, enjoy a good ice-cream walking along the walls or drink a cocktail in a local bar). Transfer to the hotel, dinner and overnight stay.

Day 4: breakfast, bicycle delivery and starting with a trip to **CRESPI D'ADDA** with our guide Alberto.

Unesco hold Crespi d'Adda in his List of **Protected World Heritage** as an exceptional example of workers village, the most complete and best kept in South Europe. We'll reach Crespi along the "Valfregia" and crossing Adda river along the walkway. Light lunch and guided tour of Crespi.

An interesting itinerary along the right-angled streets of the workers' village flanked by different types of buildings that were arranged in perfect order according to an organic plan that was primarily based on functional and social aspects. There you will still feel the atmosphere of the past and encounter evidence of a historico-social reality that was characterized by the social differentiation between workers, employees, leading personnel and the owner's family. The itinerary is even more inspiring thanks to the dense woodland that surrounds the village where the two rivers Adda and Brembo silently flow towards their junction at the exit of the workers' village. After tour we'll ride along Brembo and Adda rivers and we'll arrive at Martesana Canal that will take us back to our starting point (Vaprio d'Adda).

IF YOU'RE LUCKY ALONG THE RIVER YOU COULD MEET TARANTASIO, THE FAMOUS DRAGON

Day 5: breakfast. Free time at your disposal for individual activities and transfer from hotel to Milano airport.
End of services.
